CHRISTMAS INVESTOR EDUCATION TIP #1

So you got that Christmas bonus and you want to invest it. Wise move! Watch out though. During this season many con artists come up with creative investment opportunities designed to take your hard earned cash away from you.

Remember

- Any person who invites you to invest in shares, stocks, bonds and mutual funds and other similar products **MUST** be registered with the SEC.
- You should do proper research into both the product and the seller of the product before parting with your hard earned money.

If it sounds too good to be true **IT USUALLY IS!**

Be a wise investor! Do your research before you invest!
