

TRINIDAD AND TOBAGO
**Securities & Exchange
Commission**

Investors come in all shapes... and sizes. WE PROTECT THEM ALL - BIG AND SMALL

Our principal responsibility at the Trinidad and Tobago Securities and Exchange Commission (TTSEC), is to protect investors - even if you are an individual with only a handful of shares. It is our responsibility to maintain an orderly financial marketplace so that you and your investments are protected.

One of the many ways we make sure you can ... invest with confidence.
